Re: Acknowledgement of Receipt of
Mining and Reclamation Plan for
ACT/021/004

Dear Mr. Jones:

This letter is to acknowledge the Division's receipt of the Notice of Intent and Reclamation Plan which you submitted for: Cedar City Operations, T. 34,35,36,37S., R.12,13,14W., Iron County, Utah

Since the July 1st 1977 deadline for filing is nearing and the backlog of received plans is growing, the plan(s) which you submitted will be prioritized with all others and will be reviewed as the Division's time and schedule permits.

Meanwhile, the law provides for mining to continue according to the submitted plan until the plan is reviewed and/or changed and approved by the Division. Three years after submittal are provided for the Division to review Mining and Reclamation Plans for operations which were active on May 14th 1975. It is not anticipated, however, that the review process will take the allotted three years, you should be contacted by us by the end of 1977.

Thank you for your cooperation in achieving quality mined land reclamation in the State of Utah.

Sincerely,

DIVISION OF OIL, GAS, AND MINING

Ronald W. Daniels
